Best option for your **SEWAGE TREATMENT & PERCOLATION NEEDS**

SEWAGE SYSTEMS GUARANTEE

- High Effluent Quality, with superior reduction in BOD, COD, Suspended solids, Nutrients, and Pathogens (Best on the Irish Market!)
- Suitable for many sites including small restricted existing sites
- Concrete unit - low profile reducing dig costs
- Fibre safe pre-clean system, in cleanable bags that can be shaken or washed
- Very easy to maintain
- Includes percolation pipe connections. Sewage Systems offer a cost effective, efficient method of complete on-site wastewater treatment and disposal

TO BE ON TIME

- We always turn up when we say we will (if for some reason we are delayed at the previous job, we will inform you in advance).
- We always return phone calls within 24 hours.
- We always keep our customer fully informed.

TO DO THE JOB PROPERLY

- Our engineers are the best in the business.
- We work alongside your builder or civils contractor to avoid any problems that may arise.
- Whatever we commit to with our clients is delivered - 100% of the time.

TO CERTIFY AND ENSURE YOUR COMPLIANCE

- Our products are certified to exceed all regulations.

We remove all waste material and packaging,
- we tidy after ourselves and we ensure that all work is documented and approved before we leave the site.

TO RESPOND IN A PROMPT AND PROFESSIONAL MANNER for customers calls

- In the event that you have a query in relation to our work, we will always respond in a timely and professional manner.
